It also has topic overviews that explain the activities & Early Years Outcomes statements Nursery plan to achieve. Newsletters, phonic guidance, policies and the EYFS Curriculum are all displayed for parents to read.

- Help your child settle to an activity, then tell them you are leaving

# Nursery Environment

We have our own pegs where we hang our coats and bags.

Wellington boots are kept on a trolley in the cloakroom.

We know how important it is to drink water and eat fruit. We have a Snack Time where we can have a drink of water or milk and eat some delicious fruit. We take our water bottles home everyday so they can be cleaned and filled with fresh water.

The children will love to explore the classroom and play with all the new toys.

When we need the toilet, we can use it anytime as the toilets are in the classroom. When we have finished, we always wash our hands really well using the squirty soap.

We love to spend lots of time in the Rainbow Garden, whatever the weather. There is so much to do!

We keep active outside playing with the footballs, bats and balls and crawling through tunnels but also like some quiet time in the covered outdoor reading & mark making area.

# Lunchtimes

- We eat lunch in Nursery at 11:30.
- We have lunch in the KS1 Hall where we sit with our friends with the dinner lady.
- Children can pay for a school meal (£2.10 per day) or bring a packed lunch.
- School meals often encourage children to try new food.
- Choice of 3 school meals which you select from in advance.
- However children can bring in their own Healthy packed lunch if they would prefer.

# RE.

We have RE lessons each week based on a theme. Often, we visit the school chapel for our class liturgies. We share prayer time when we start school, before we have our lunch and at the end the day.
