

St Cuthbert's Catholic Primary School PE and Sports Premium

At St Cuthbert's Catholic Primary School, we believe PE & Sport to be an essential part of education for every pupil. We also believe that the provision of high quality PE and Sport has the potential to change young people's lives for the better and prepare them for a healthy life in the future.

At St. Cuthbert's, we aim to increase participation in sports and PE and develop healthy life styles by:

- ✓ developing a 'fitness for life' ethos across the whole school community
- ✓ aiming for each child to be of a healthy weight
- ✓ improving emotional health and well-being
- ✓ developing confidence in staff with the teaching of PE across the school
- ✓ promoting the importance of a healthy lifestyle to all pupils
- ✓ continuing to build on the legacy of the 2012 Olympics and recognise the importance of upholding the Olympic and Paralympic Values across the school
- ✓ encouraging competitive sport across the school through House competitions
- ✓ promoting competitive sport outside of school

We have welcomed the Government's announcement in June 2013 to provide additional funding for 2 years to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

What does the Sports Premium mean for our school?

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).
