<p>Find ways to calm themselves, through being calmed and comforted by their key person. Engage with others through gestures, gaze and talk. Use that engagement to achieve a goal. For example, gesture towards their cup to say they want a drink. Find ways of managing transitions, for example from their parent to their key person. Begin to show 'effortful control'. For example, waiting for a turn and resisting the strong impulse to grab what they want or push their way to the front. Develop friendships with other children. Select and use activities and resources, with help when needed. This helps them to achieve a goal they have chosen, or one which is suggested to them. Become more outgoing with unfamiliar people, in the safe context of their setting.</p> <p>Activities</p> <p>Find own peg, drawer, toilets, snack labels independently. Settle when carer has left Join in with tidy up time & circle time.
