

St Cuthbert's Catholic Primary School

Reading Scheme Information

At St Cuthbert's we use the Oxford Reading Tree (ORT) scheme from Reception through to Year 6.

Please follow the link below where you can find out about the scheme.

There are also some really useful resources provided by ORT to help parents support their children at home. Please follow the link below to access these.

As the children get older and progress through the reading scheme we begin to supplement ORT with books from other providers. This helps children to begin to develop the range of books that they are reading. We also have a fantastically resourced library which the children use regularly during lessons and at break and lunchtimes. To further foster a love of reading, we have regular visits to Kenton Library organised by our School Librarian, Mrs Ramplin.

If parents or carers would like any more information about our phonics programme, please don't hesitate to contact the school.
