We made flame headbands so we could wear them when we re-enacted the story of Pentecost. We used pom poms and streamers to shake to create the effect of the wind rushing into the room where the disciples were. When we acted out the story, we discovered that the disciples went from feeling scared and disheartened to feeling strong, brave and confident. We recognised that having heard the Good News, lots of people shared these fantastic feelings inspired by the Holy Spirit.

Used some religious words such as: Pentecost, Good News, Alleluia, Easter, Holy Spirit. AT1:B1, B2

We took part in lots of activities to prompt discussion about Pentecost, including the terms Pentecost, Good News, Alleluia, Easter and Holy Spirit. We understood that Pentecost is a continuation of the Easter story.

We discussed how we feel when hear and share Good News and thought of ways in which we could live out the Gospel message in our everyday lives. We discovered that by sharing, caring, using kind words and performing kind actions, the Holy Spirit was present in our lives.

# We wrote about what happened at Pentecost AT1:A7

Said what they wonder about Pentecost Day and the Holy Spirit. AT2:B5

We took part in class liturgy to celebrate everything we have learned about the Holy Spirit. We spread good news to each other around the circle and asked questions about the Holy Spirit. We closed our eyes and listened to quiet music, asking the Holy Spirit to inspire us to live out the Gospel, then we told our friends what we planned to do to make this happen.
