# We are all part of the family of St Cuthbert's! AT1:A4

We drew and painted pictures of ourselves. We thought about our hair, eye and skin colour. We recognised that God has made everybody to be special and unique.

# We are all part of the family of St Cuthbert's! AT1:A4

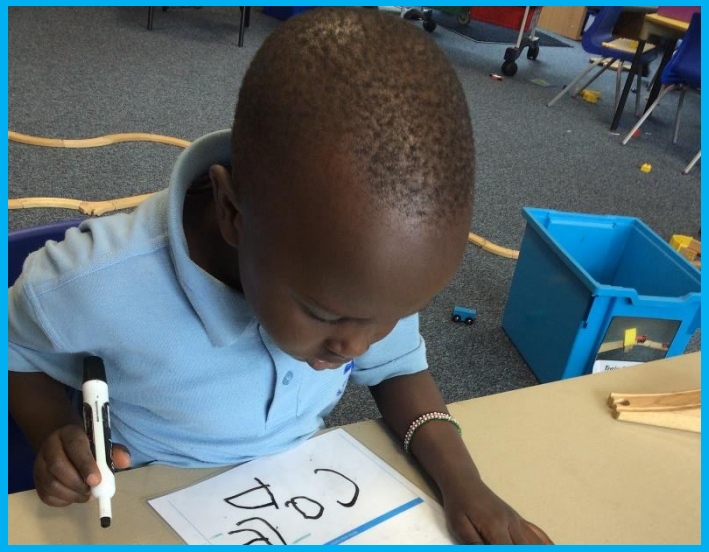

We made a model of ourselves with playdough and tried to include our body parts such as arms, legs, hair etc.

# We discovered that God knows everyone by their nameAT1:A5

We all have different names, but God knows them all! We have been learning each other's names through lots of games and practicing writing them using special name cards. At home, we asked our parents why they chose our names.

# We talked about who is in our family and explained our interests and how our family makes us feel.

AT2:B2

We talked about our families. We found out that everybody's family is different, but all of our families are very special. Some of us even drew or painted pictures of them.

# We have explored and discussed phrases from Psalm 131 which tell us that God loves us. AT1:A1, A5

We read Psalm 131. We talked about God loving us, just as a parent loves a child.

# We have taken part in class liturgies to reflect on what we have learnt. AT1:A1, A5

We talked about how God loves us all of the time – not just when we are doing our best. Even though he wants us to be kind and loving, he still loves us when we are being naughty or unkind. We made the sign of the cross on our friend's forehead and told them, "God loves you!".
