

Developing, planning and communicating (Design)

Constructing & Use of materials (Make)

Evaluating the process & products

Mechanisms (Technical Knowledge)

Textiles

Working with tools

Cooking & Nutrition

Explain ideas orally

Identify the key features of an existing product.

Think of some ideas on my own

Plan an outcome through pictures with labels

Make a product which moves

Cut materials using scissors

Describe materials using different words

Say why they have chosen moving parts

The Year 1 Design and Technology student

'I can...'

Explain what I am making

Select appropriate resources and tools

Explain which tools I am using and why

Use tools safely

Arrange pieces of the construction before building

Make a structure/model with different materials

Describe how my product works

Identify successes and next steps

Groups fabrics and thread by colour and texture

Weave a pattern

Identify when patterns are used in textile design

Wash my hands before handling foods to eat.

Make a healthy snack and explain why it is good for me.
