## Reception March 2024

**Look:** We talked about objects that are special to us. Children told the class about their precious object and drew it. They explained why it was special to them.

necklace

walrus

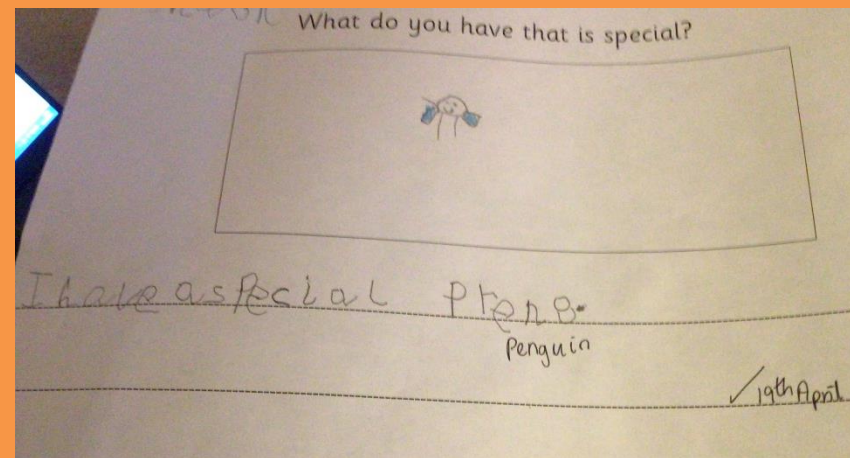

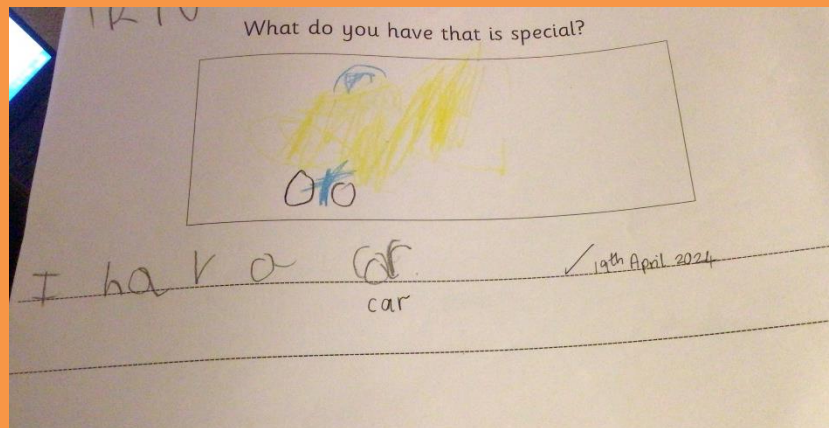

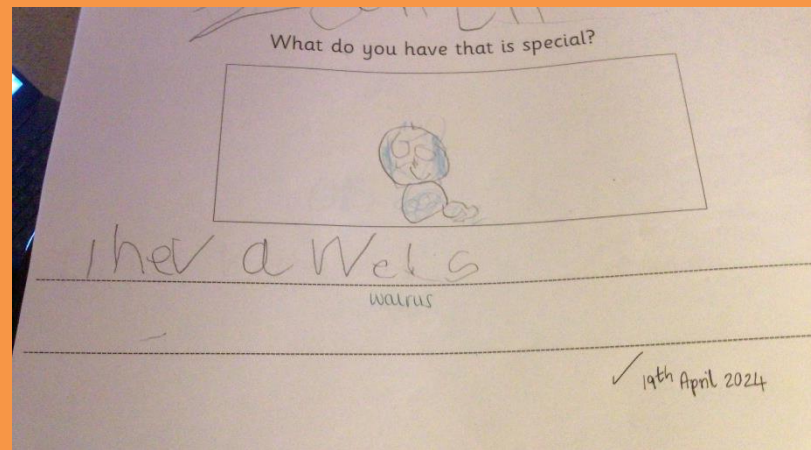

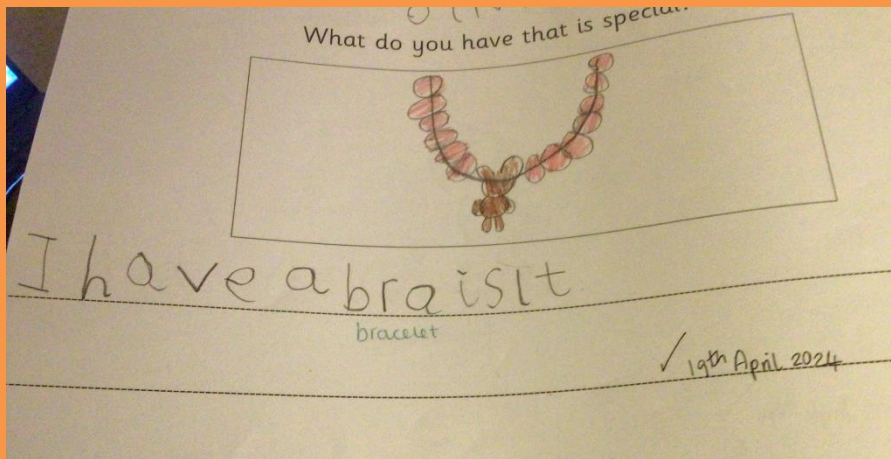

butterfly  
dress

Smelly Teddy

**Look:** We drew pictures of objects that are special to us. We explained why they were special to us.

**Discover:** We looked at video clips of Muslim's praying and explored the prayer mat and the Qur'an. We coloured in our own prayer mats and temples. We talked about Ramadan being a time when Muslim's were fasting, praying and reflecting. Some of our Reception friends explained what their families did during Ramadan. They explained how they celebrated with their families at the end of Ramadan.

**Respect:** We learnt about how special the Qur'an and prayer mats are to Muslim people. They take good care of them because they help them to pray and understand about God.
